Job Title: Cyber Hero

Reports to: Welfare Governor

Job Overview:

The Cyber Hero will oversee the welfare of kids and youths aged 7 to 18 and protect them from the dangers of technological advances and exposure to the digital world.

Today's kids and youths can easily access the borderless digital world of social networks, cybercrime, gaming, and malicious websites. All these have infiltrated their lives and resulted in unhealthy lifestyles and personality traits such as addiction to gaming, pornography, and other vices. If they are left uncontrolled and unprotected, their future will be ruined. Hence, we urgently require a Cyber Hero to keep everything under control, promote a healthy lifestyle, and build good character among those who will chart the future of our world.

Responsibilities and Duties:

- Safeguard the physical and mental health of kids and youths;
- Control the gaming activity to an hour daily to prevent addiction;
- Protect minors from pedophiles and Casanovas;
- Block cyberbullying, cyber misconduct, and inappropriate use of language;
- Encourage kids and youths to participate in healthy lifestyles such as outdoor sports and recreational activities;
- Safeguard computer systems (hardware and software) against damage and electronic data and personal information from theft.
